**We** may ask the claimant to give **Us** certificates and information to support the claim. **We** will not pay any costs involved in doing this. If information supplied is insufficient, **We** shall identify what further information is required. **We** may reject the claim if **We** do not receive the information **We** require.

If **We** pay a claim under Item 10 - **Medical Expenses** which is recoverable from another source, such as a private health insurer, the **Insured Person** must give **Us** every assistance and information **We** require to recover this amount.

## 7. Fraudulent Claims

If the **Insured** or **Insured Person** makes any claim under this **Policy** which omits information of a material nature and/or contains information that is false or misleading in any material respect and the **Insured** or **Insured Person** either

At renewal, **We** may provide **You** with details of information that **You** have previously disclosed and ask **You** to update that information. Where **You** do not provide any new information to **Us** and **You** pay the renewal premium, it is presumed that the information previously provided has not changed.

In the event of a fraudulent misrepresentation made by **You**, or on **Your** behalf, **We** will be entitled to avoid this insurance contract, resulting in the cancellation of the **Policy** and non-payment of claims.

Any other misrepresentation made by **You** or on **Your** behalf, other than one made innocently, will entitle **Us** to take proportionate action to reflect what **We** would have done had **We** been aware of the full facts.

Proportionate action could include changes to the **Policy** terms and conditions or reduction in the amount **We** pay in respect of a claim to reflect the higher premium that would otherwise have been charged.

In certain circumstances, **We** may be entitled to avoid this insurance contract, resulting in the cancellation of the **Policy** and non-payment of claims.

If **Your** policy is avoided or cancelled by **Us**, this may result in **You** having difficulty in trying to purchase insurance elsewhere.
